INDOOR USE

A

Remove all contents from carrying case.

B

Separate and apply each LED strip to the legs of the table - on opposite sides (one at each end).

C

Slide adjustable clamp over vertical legs (towards the front graphic).

D

Connect AC cable (black) to DC cable (white).

E

Connect DC cable (white) to LED strip.

F

Drape throw over table. Slip corner feet under each table leg to secure and keep throw taut. Connect power plug to wall to turn LED strips on.
